ONE GROUP

Joint future

Since we joined forces in 2018, we have become the strongest provider of spares for professional catering appliances in the market.

Our customers now benefit from all the synergies that partnership brings: With access to an unrivalled joint portfolio, warehouses around the globe and proven technical and industry expertise - we are the no. 1 partner in the catering industry.

Individual histories

With individual success stories and experience in different sectors, we combine over 150 years of industry experience.

Each company brings an extremely strong product portfolio and its own area of expertise to the partnership, covering sectors from HoReCa, Refrigeration, Coffee, Vending to local market expertise.
